

TRUE TO NATURE AND TO BPOST

Limited series 4

bpost stamp issues regularly feature André Buzin's designs. His bird series are much loved by collectors and letter-writing Belgians. In his latest issue the wildlife artist switches focus ...

The sheetlet consists of five stamps, each depicting mother and offspring – wild rabbit, fox, lynx, roe deer and wild boar. It's a series that is sure to be welcomed by his many fans. A large number of them have come together in study groups. These philately circles regularly arrange meetings with the man himself. He will drop by in person at the advance sale, as organised by the study group S.P.A.B. on 17 February 2014. See the Calendar on page 16 for more details.
